BANK SYSTEMS

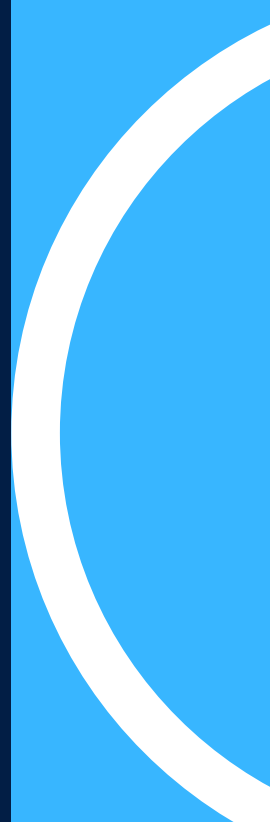

Bank System in the Philippines

- The minimum balance required for a bank account varies by bank and account type. If the balance falls below the minimum, the bank may charge a fee.
- Banks may also close accounts for a variety of reasons, such as 3 months low maintaining balance, inactivity of account or security reasons.

You can consult to Inspire to avoid closing of accounts!

ANTI -MONEY LAUNDERING

- Depositing huge amount of money (excess of Php500,000 - Php1,000,000) at the bank without a credible purpose or origin is not allowed
- The individual customers must produce original documents of identity issued by an official authority such as Valid IDs and Passports. (Details will be discussed)
