

Travel *Protection*

We are excited to announce that Inspire has launched a new protection service designed to help you prepare for unforeseen troubles during your stay in the Philippines. This service aims to provide peace of mind and necessary support throughout your visit!

COVERAGE AREA OF OUR INSPIRE PROTECTION

This protection is specifically designed to provide coverage for your stay within Metro Manila only. It will cover a range of unforeseen events or emergencies, and other incidents that may arise while you are within the metropolitan area. The coverage is valid only during your time in Metro Manila, and any travel beyond this region, whether for business, leisure, or other purposes, is not included under this policy.

OUR VISION & MISSION

VISION

Ensuring every traveler's journey is safe, secure, and worry-free.

MISSION

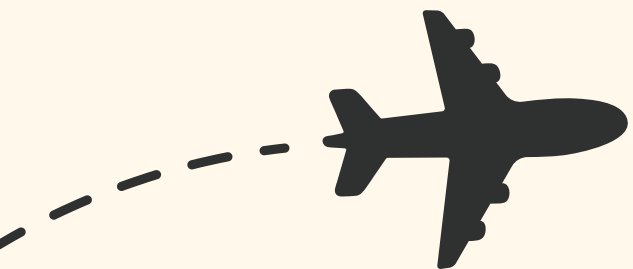

To offer comprehensive and reliable protection coverage that ensures peace of mind by safeguarding travelers from unexpected events during their stay in Metro Manila.

COVERAGE

This protection covers the following situations during your 3- or 4-day stay in Metro Manila, Philippines:

1. **Pickpocketing:** If you become a victim of pickpocketing during your time in Metro Manila, this protection will cover the loss or theft of personal belongings such as wallets, mobile phones, or other valuables. It includes reimbursement for the cost of the stolen items (up to a specified limit) and assistance in reporting the incident to local authorities.
2. **Robbery:** In the event of a robbery, whether it occurs in a hotel, public space, or while traveling, the protection will cover personal property lost or stolen. This includes reimbursement for valuables taken during the incident, as well as emergency medical expenses if you sustain injuries. The protection will also cover the cost of obtaining police reports or legal assistance, should it be required.

COVERAGE

3. **Physical Disputes:** If you become involved in a physical altercation or dispute during your stay in Metro Manila, this insurance will cover medical treatment for injuries sustained during the incident. It may also provide legal assistance for any necessary actions related to the dispute. This coverage is designed to assist with emergency medical expenses, hospital stays, or any legal support needed to resolve the situation.

4. **Human Rights Violations:** Be protected and supported if you face any human rights issues during your stay.
